Product Description

10 Inch Round Eco-Friendly Paddy Husk Plates | Biodegradable Disposable Main Course Plates IntuGreen

The **IntuGreen 10 Inch Round Eco-Friendly Paddy Husk Plate from Coimbatore, Tamil Nadu, India** is a sturdy, plastic-free disposable plate made from natural rice husk fibre. Designed for full main-course servings, it is suitable for rice, curries, biryani, buffet portions, and complete dinner meals in restaurants, hotels, banquet halls, catering services, weddings, and institutional foodservice.

This **10 inch Paddy Husk Plate** is formed under high pressure to provide strong load-bearing rigidity and better resistance to oil, moisture, and light gravies than standard paper plates. It is microwave-safe, leak-resistant under normal serving conditions, and free from plastic lining, wax, and chemical coatings.

The plate is **100% biodegradable and compostable** and is designed to break down naturally without leaving microplastic residue. IntuGreen manufactures these plates at its **Coimbatore facility** under HACCP and FSSAI-compliant processes.

Based in **Coimbatore, Tamil Nadu, India**, IntuGreen supplies 10 inch paddy husk plates for HoReCa, restaurants, hotels, banquet caterers, wedding planners, institutional buyers, bulk orders, private-label requirements, and export markets.
