Product Description

6 Inch Round Eco-Friendly Paddy Husk Plate

The **IntuGreen 6 Inch Round Eco-Friendly Paddy Husk Plate from Coimbatore, Tamil Nadu, India** is a compact, sturdy disposable plate made from natural rice husk fibre. Designed for snacks, desserts, appetizers, tea-time servings, canapés, cupcakes, cookies, samosas, and finger foods, it offers a practical **100% plastic-free alternative** for cafes, bakeries, tea rooms, sweet shops, catering, parties, and snack counters.

This **6 inch Paddy Husk Plate** is free from plastic lining, wax, and chemical coatings. It is microwave-safe, grease-resistant, and firm enough to hold dry and lightly moist foods without easily bending or becoming soggy. Its natural earthy finish also gives it a clean, eco-conscious presentation for foodservice applications.

The plate is **100% biodegradable and compostable** and is designed to break down naturally under composting conditions without leaving microplastic residue. IntuGreen manufactures these plates at its **Coimbatore facility** under HACCP and FSSAI-compliant processes.

Based in **Coimbatore, Tamil Nadu, India**, IntuGreen supplies 6 inch paddy husk plates for HoReCa, catering, retail, bulk orders, private-label requirements, and export markets.
