Product Description

INTUGREEN 65 ml Edible Tea Cup

The **INTUGREEN 65 ml Edible Tea Cup from Coimbatore, Tamil Nadu, India** is a compact edible beverage cup designed for tea shots, tastings, sampling, welcome drinks, and small beverage servings. Its mini 65 ml format makes it suitable for cafes, hotels, catering services, events, and sustainability-focused foodservice applications.

This **65 ml Edible Tea Cup** is ideal for businesses looking to create a distinctive beverage experience with a small, edible serving format. It can be used for tasting counters, hospitality welcome service, product sampling, specialty beverage presentations, and promotional events.

INTUGREEN positions the 65 ml cup as a **mini edible cup, edible tasting cup, edible beverage cup, and rice-based edible cup** for foodservice, hospitality, events, and retail applications. Its compact size is especially useful where controlled portions and attractive beverage presentation are important.

Based in **Coimbatore, Tamil Nadu, India**, INTUGREEN supplies edible beverage cups for cafes, restaurants, hotels, HORECA businesses, caterers, events, distributors, retailers, and bulk buyers. For commercial use, buyers should confirm the exact ingredients, beverage compatibility, packaging, temperature limits, contact time, and applicable product documentation for the selected SKU.

Frequently Asked Questions

1. What is the INTUGREEN 65 ml Edible Tea Cup used for?

It is suitable for **tea shots, tastings, sampling, welcome beverages, and other small beverage servings**.

2. Is the 65 ml cup suitable for cafes and hotels?
