Product Description

INTUGREEN 110 ml Edible Tea Cup

The **INTUGREEN 110 ml Edible Tea Cup from Coimbatore, Tamil Nadu, India** is an everyday edible beverage cup designed for tea, coffee, hotels, restaurants, catering, and events. Its 110 ml capacity provides a practical serving size for customers who need more than a tasting portion without moving to a larger beverage cup.

This **110 ml Edible Tea Cup** is suitable for tea and coffee service, **cafes** counters, hotel hospitality, restaurant service, catering, corporate functions, and event applications. The edible cup concept helps businesses create a distinctive and sustainability-focused beverage experience.

INTUGREEN positions this product as a **110 ml edible tea cup, edible coffee cup, edible beverage cup, rice-based edible cup, and HORECA edible cup** for **cafes** hotels, restaurants, catering businesses, events, distributors, retailers, and bulk buyers.

Based in **Coimbatore, Tamil Nadu, India**, INTUGREEN supplies edible beverage cups for foodservice, hospitality, retail, events, bulk procurement, and export requirements. Buyers should confirm the exact ingredients, beverage temperature, contact time, packaging, storage, allergen information, and applicable documentation for the selected SKU.

Frequently Asked Questions

1. What is the INTUGREEN 110 ml Edible Tea Cup used for?

It is suitable for **tea and coffee service, cafes counters, hotel hospitality, restaurants, catering, and events**.

2. Why choose the 110 ml Edible Tea Cup?

The 110 ml size offers a practical everyday serving format for customers who want more capacity than a tasting cup while keeping the serving compact.

3. Is the INTUGREEN 110 ml cup edible?

Yes. It is designed as an **edible beverage cup**. Exact ingredient and usage details should be confirmed from the final product specification.
