Product Description

INTUGREEN 90 ml Edible Tea Cup

The **INTUGREEN 90 ml Edible Tea Cup from Coimbatore, Tamil Nadu, India** is a small edible beverage cup designed for tea, coffee, tastings, hospitality, catering, and event service. Its compact 90 ml capacity offers a practical serving format while creating a distinctive and sustainability-focused beverage experience.

This **90 ml Edible Tea Cup** is ideal for small tea and coffee portions, tasting counters, cafe service, hotel welcome drinks, catering programs, promotional events, and sampling applications. It gives cafes, hotels, and foodservice businesses a unique edible cup format for compact beverage servings.

INTUGREEN positions this product as a **90 ml edible tea cup, small edible cup, edible coffee cup, edible tasting cup, and rice-based edible cup** for cafes, hotels, restaurants, HORECA, catering, events, retail, and distributor requirements.

Based in **Coimbatore, Tamil Nadu, India**, INTUGREEN supplies edible beverage cups for hospitality, foodservice, events, retail, bulk, and commercial requirements. For commercial use, buyers should confirm the exact ingredients, beverage temperature, contact time, packaging, storage, and applicable product documentation for the selected SKU.

Frequently Asked Questions

1. What is the INTUGREEN 90 ml Edible Tea Cup used for?

It is suitable for **small tea and coffee portions, tastings, café service, hotel welcome drinks, catering, and events** .

2. Why choose the 90 ml Edible Tea Cup?

The 90 ml size offers more capacity than a mini tasting cup while still remaining compact, making it suitable for small beverage servings and hospitality applications.

3. Is the INTUGREEN 90 ml cup edible?

Yes. It is designed as an **edible beverage cup**. Exact ingredient and usage specifications should be confirmed for the final SKU.
