Product Description

INTUGREEN Sugarcane Bagasse Disposable Clamshell Box Plates

The **INTUGREEN Sugarcane Bagasse Disposable Clamshell Box Plates from Coimbatore, Tamil Nadu, India** are eco-friendly food packaging solutions made from natural sugarcane bagasse pulp. Designed as a plastic-free alternative to conventional disposable takeaway containers, they are suitable for restaurants, catering services, events, takeaways, and food delivery applications.

The INTUGREEN clamshell range includes **6x6 Clamshell Box, 8x8 3CP Clamshell Box, 9x6 Clamshell Box, 9x9 Clamshell Box, and 9x9 3CP Clamshell Box**. These formats are designed for convenient meal packing, takeaway service, and food delivery, with options for both plain and compartment-style food presentation.

These **bagasse clamshell food boxes** are sturdy, microwave-safe, freezer-safe, and resistant to oil and water. They are suitable for both hot and cold meals and provide a practical disposable packaging option for commercial foodservice use.

According to the supplied INTUGREEN product document, the clamshell boxes are **100% biodegradable and compostable within 90 days**.

Based in **Coimbatore, Tamil Nadu, India**, INTUGREEN supplies sugarcane bagasse clamshell boxes for restaurants, caterers, takeaway outlets, food delivery businesses, events, and other commercial food packaging requirements.
